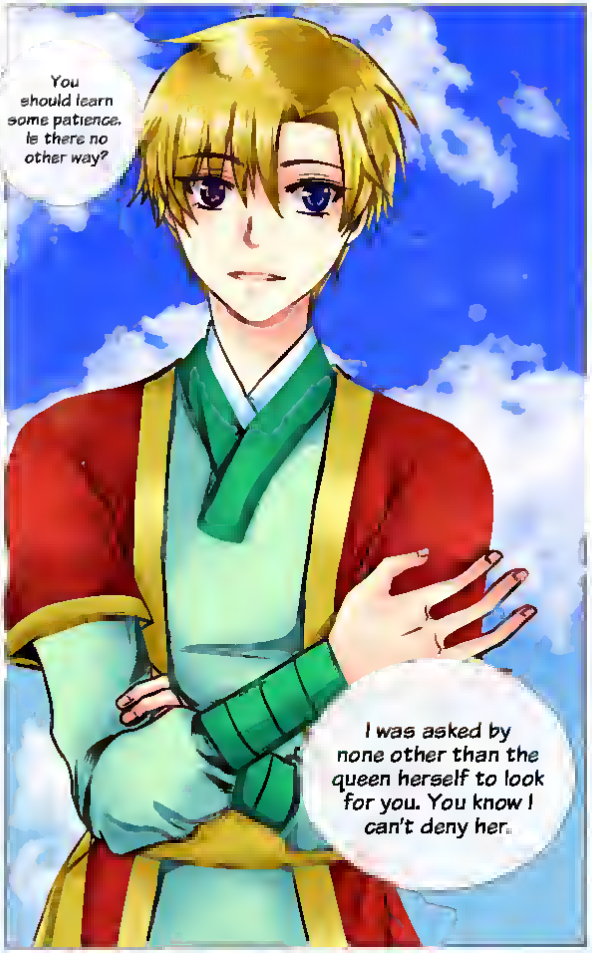
Thanks for taking the time to read this message

As I thought, you're here.
The queen is desperately looking for you. You should just hang your tail and go to her quietly
...Leon

You came looking for me that was unnecessary. You know why I've come here.

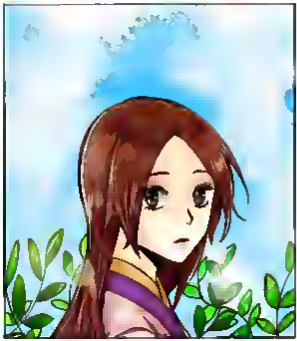
If so, you should have acted properly.
You're annoying a lot of people. Why are you acting like this?
Could you stop scolding me? I've heard it all day.



You should learn some patience. Is there no other way?
I was asked by none other than the queen herself to look for you. You know I can't deny her.

Are you proud of that? Regardless, I will not return.
Even if you try to convince me, it'll prove pointless. I can't go back now.
You're more determined than I expected. Can you tell me why?

I could atleast hear you out. Maybe you can convince me to join you.



Is it because of that girl? Who is she?
Oh! It's nothing like that!
And I am...
What should I say?
And this person is...

Leon, We're a lot alike. We have similar tastes, and that is why I'm telling you this.
THIS GIRL IS MY LOVER.
MISTY ROSE

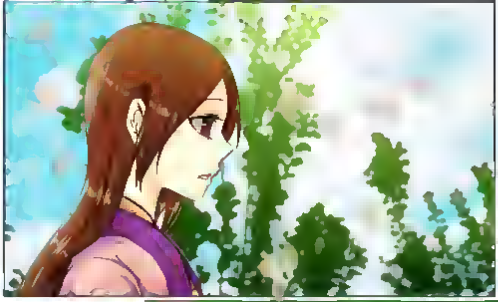
Lover? Lover...?
Your lover? No matter how I look at her she doesn't look like the daughter of a noble. How surprising.
Wait, by lover... he meant...
THAT MATTERS NOT.

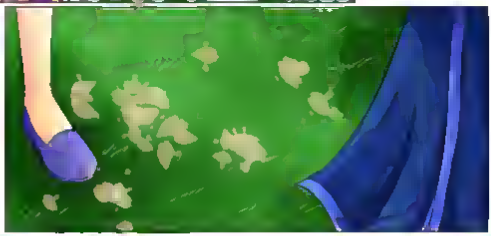
It's surprising, but it is your life, and you'll do what you want.
Don't irritate me with what you're doing
Also, I'm fairly certain that you're the only one that thinks you're lovers, is that okay with you?
...WELL.

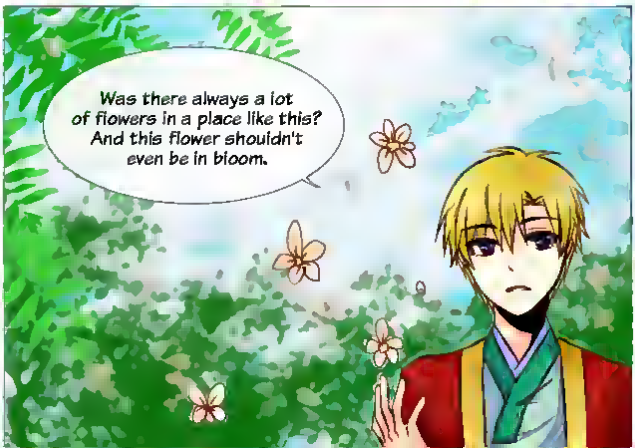
That's fine. She can't remember right now. So I have to take a step back. I've told you about her before.
The girl who I told you about

What are they talking about?
Oh, she is... that girl.
But is it just me,
Or does she look faint?
She's precious to me.
MISTY RAIN

This is strange. According to the schedule,
She's suppose to meet Ryu Hyun here.
The meeting with Leon was unexpected. Someone must be trying to interfere.
This isn't good. It could go wrong if it's left like this for much longer. I should put an end to it now.

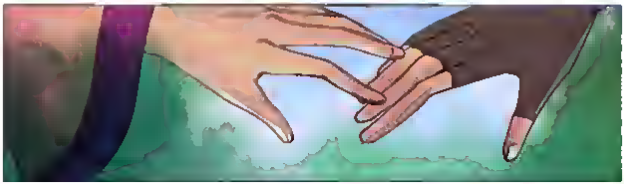






Was there always a lot of flowers in a place like this? And this flower shouldn't even be in bloom.

I THINK MY TIME IS UP...



Yeo Room Han?
I'm becoming even more faint.
I can just tell
It's time for me to return.
What do you mean time's up?
MISTY RAIN

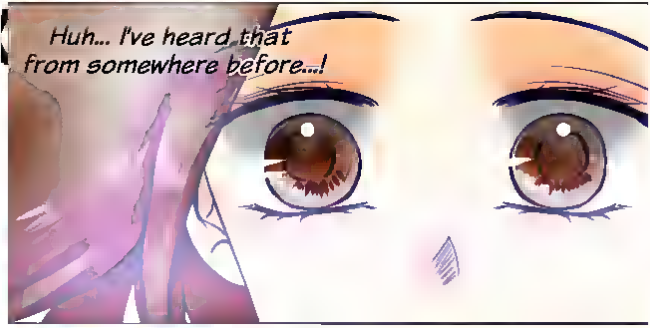
Oh, it was nice to see you.
WAIT! NOT LIKE THIS!
Slide

... I knew it.
That we'd part
like this again.

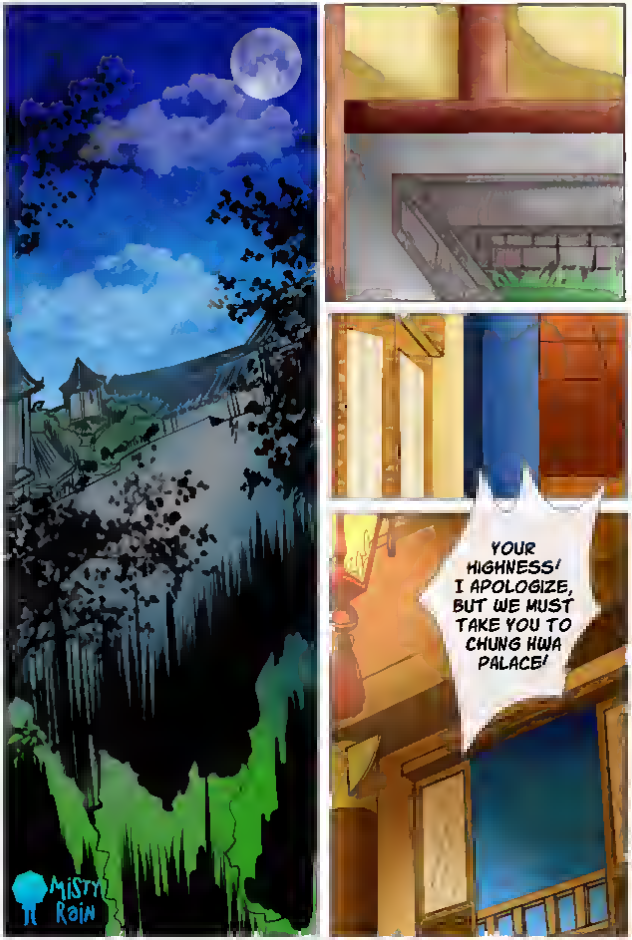
Well, I told you
I'd wait, so it can't be
helped. I don't know how
long it will be this
time, but...

I will wait. I don't care
how you look. So don't
forget the promise
we made.

I WILL WAIT.
I don't know when it will be
or what you'll look like.



Huh... I've heard that from somewhere before...!



YOUR HIGHNESS! I APOLOGIZE, BUT WE MUST TAKE YOU TO CHUNG HWA PALACE!
Misty Rain

To Chug Hwa Palace, at this hour?
I'm sorry for being so impolite. But it's a matter of great importance. I believe it will be worth your time.
If it's something like that...

Yes, it involves the god priestess.
I see. Then I feel something bigger might have happen than I expected. Hopefully this will clear things up.
Continued in next episode.

Did I forget to put up the closed sign again?

Hey... This might sound a little strange but... I have a really important question to ask you. So please don't get mad at me.
When does the next chapter of the Scholar Who Walks the Night going to be released?

• • •

That's classified info...
I really need to remember more often to put up that closed sign at night...
So I can't say anything.
I see... Well it was worth a shot. Looks like I'll just have to keep checking the blog.
